Mark Your Calendar for the 40th Annual SNA Legislative Action Conference!

JW Marriott Hotel | Washington, D.C. | March 4 - 7, 2012

It's time once again to join SNA and your fellow colleagues and descend upon Washington, D.C., for the Association's 40th annual Legislative Action Conference (LAC), March 4-7, 2012. Over the last 40 years, LAC has been touted by attendees as one of the most exciting and informative conferences in child nutrition, and this year's anniversary gathering will certainly continue that tradition.

2011 was a busy year for child nutrition programs in Washington, and 2012 promises to be even busier. Over the last several months, since the Healthy, Hunger-Free Kids Act was signed into law in December 2010, USDA has taken on the monumental task of implementing the many provisions of this new law through the issuance of guidance, memos and proposed rules—all of which will have a major impact on child nutrition programs for many years to come. That's why your attendance is so critical. Together, we must work to strengthen school nutrition programs by educating Members of Congress on the issues that matter most in advancing the nutrition needs of our nation's children.

A few of the program highlights for 2012 will include:

- A political insider's look at the 2012 General Election, key races and potential changes in the political landscape.**
- Presentations from several top leaders in Congress, USDA and allied organizations, all of whom will address major issues facing the school nutrition arena.**

****Visit www.schoolnutrition.org/lac to check out the schedule of events that make LAC so exciting!**

IF YOU PLAN TO ATTEND OR ARE CONSIDERING ATTENDING AND WANT TO LEARN MORE, PLEASE CONTACT YOUR MSNA PUBLIC POLICY CHAIR, RACHEL VALESANO AT RVALESANO@OWATONNA.K12.MN.US OR 507.444.8607.
