## INSTALLATION CEREMONIES – GENERAL INSTRUCTIONS

INSTALLATIONS ARE IMPORTANT AS THEY BRING BEFORE THE MEMBERS THE AIMS AND IDEALS OF THE ORGANIZATION AND CHALLENGES THE NEW OFFICERS TO LEAD THE MEMBERS TOWARD THESE GOALS.

### SUGGESTED PROCEDURES:

1. **The Outgoing President** says a few words about the term and what has been accomplished, and thanks the outgoing Officers and Chairpersons, then introduces the Installing Officer.

**The Installing Officer** is selected and invited by the Incoming President to perform the installation ceremony. (Suggestions: MSNA Board Member, Past President, Noted food service director, etc.) The Installing Officer has previously instructed the incoming officers on when and where to stand and the general procedure to be followed.

2. **The Installing Officer**, in a few BRIEF WORDS, thanks the outgoing officers in a body and they rise to applause.

The actual **INSTALLATION** is accomplished by the line of officers, ending with the President, with appropriate comments to each officer, Each answers that they accept the responsibilities. The Installing Officer then declares them "duly installed",

If corsages are used in the installation ceremony, appoint someone to hand them to the Installing Officer. Corsages are NICE but not really NECESSARY.

3. **The Outgoing President** MAY ask members to pledge support and loyalty.

The Outgoing President congratulates the Incoming President.

4. The **New President** presents the "Past President's Pin" to the Outgoing President. (It is a good idea to pin it on a small piece of ribbon or net. You can easily pin this on with a straight pin and save a lot of fumbling and time during the ceremony.)

5. The **Past President** presents the "Presidents Pin" to the New President.

6. The **New President** makes a BRIEF acceptance speech; announces committee appointments for the coming term; asks if there are any announcements; says "Is there any further business?" Then **ADJOURNS THE MEETING**.

---

### SUGGESTED SEATING CHART FOR INSTALLATIONS

The incoming officers, after installation, either return to the assembly or take the places of the outgoing officers, who have quietly moved into the assembly as the incoming officers came forward.

## COINS OF THE FUTURE - INSTALLATION CEREMONY

It is my great pleasure and privilege to be asked to officially install you duly elected new officers today.

Today we look into the future of Chapter \_\_\_\_\_. As SFS personnel, we are dedicated to serving the needs of our communities, the state and the nation. We pledge our hearts and hands to service; this is our spiritual and physical contribution. But because society has ruled in an exchange for need, money is a necessity in today's world. The uses we put money to, the spirit to which we spend it gives it a character plainly perceptible to everyone.

We must not forget the spiritual and physical part in our activities, which is to give of ourselves whole- heartedly and unselfishly. Money has little value to us unless it also has value to others. When a person dies, people ask, "How much money was left behind?" But the angels, as they look down, inquire, "How many good deeds have been sent on ahead?"

We are closing the books of Chapter \_\_\_\_\_ for this year. What is written in them, the balance on hand, and unfinished projects are just being turned over to the new officers. These new officers must write a new budget and plan to carry it out. These plans will determine how the "coins of the future" will be spent.

As **SECRETARY**, \_\_\_\_\_, the activities and action of Chapter \_\_\_\_\_, will be recorded in you minutes. There are letters to be written. Local, state and national associations will look to you for answers to their mailings. This thin **DIME** is to remind you to take ten minutes to send and answer all correspondence promptly. A "do it now" attitude will return to you ten-fold. **(hand coin to person)**

As **TREASURER**, \_\_\_\_\_ you are the keeper of the "coins". There are obligations to be met within Chapter \_\_\_\_\_. Go by your budget. Pay only authorized bills, and keep accurate accounts. To remind you of all quarterly reports, here is a shiny new **QUARTER**. See that your income exceeds your expenditures, so your upkeep won't be your downfall. **(hand coin to person)**

**PRESIDENT ELECT**, \_\_\_\_\_, you have been chosen president-elect for the coming year. Your enthusiasm should really make the chapter go. This **HALF DOLLAR** coin we assign to you. Don't allow any "halfway procedures." The laws are written, there are no "half-ways" in this chapter. You have the responsibility of getting the programs and assisting the president in any way that you can. **(hand coin to person)**

**PRESIDENT** \_\_\_\_\_, I am sure following the "coins of the future" theme makes you aware of the high honor and faith the membership place in you as their leader for the coming year. Wealth is not expressed in terms of coins in Chapter \_\_\_\_\_. As president of Chapter \_\_\_\_\_, you are to maintain contact with local, district, and national associations to keep your members active and busy. These coins represent the "coins of the future" toward service to community, state and nation. Coins become collector's items. Some are used for good luck charms. **(Hand a pocket full of coins to person)**

May many of your coins be spent from the heart and not from the bank account. Love, friendship and a helping hand cannot be measured in coins, but at the end of the year you may count these "good deeds you have sent on before you."

**MEMBERS:** Count your blessings. Make a habit of investing and you will never lose interest.

**(To the officers)** You have been elected to represent Chapter \_\_\_\_\_. You will have a voice in how the chapter will spend the "coins of the future." Listen to the wishes of your members when changes are proposed and always vote for the betterment of all concerned. This shiny penny **(hand each a coin)** will be a reminder to each of you to spend yourselves wisely and bring new ideas and information for the benefit of all.

**I now declare you officers duly installed.**

**Materials: Dime, quarter, fifty-cent piece, 4 pennies, miscellaneous change.**

## **AIRPLANE INSTALLATION (Have model plane on table in front)**

Installing Officer (to assembly): In many ways the Minnesota School Nutrition Association is like a well designed aircraft. A stable plane remains level in flight with little help from the pilot; resisting drag and the downward pull of gravity. The center of gravity assures steady flight, and it should be near what is called the Center of Lift. Your center of lift is love of children and concern for good nutrition. It holds you aloft, uses existing conditions to raise capacity, keeps you stable through stormy currents, helps Chapter \_\_\_\_\_ go forward on your flight to future of healthy, well nourished children.

**To President:** You \_\_\_\_\_, the president are the pilot controlling this aircraft, and keeping it in level flight. This is the highest honor of any member of the crew. Your knowledge and skills prevent shifts due to changes in the atmosphere or any tendency on the part of the ship to pitch or veer around its center of gravity. (May this **go-go watch** help you in scheduling your flight so that every minute is perfectly timed.)

**To President Elect:** You, \_\_\_\_\_ are co-pilot, assisting your president at all times, keeping an eye on weather conditions and instruments, and ready to take off when necessary. At times you may even have to take over if the President is unable to fly.) I hope this **compass** will help you fly in the right direction.

**To Secretary:** (Flight Engineer) \_\_\_\_\_ as secretary, you will record the meetings at almost the speed of sound. Everything you record will become a part of the permanent file to guide your successors. You will also take care of all necessary correspondence. I give you this **little book** so that you may accurately log all of your flights.

**To Treasure:** \_\_\_\_\_ You are the navigator. It will be your duty to keep the association informed of its financial standing so that they will not get lost in monetary bad weather. This is your **flight bag**. May it always be filled with currency, coins and checks.

**To Membership:** With this capable crew to command your ship the possibilities of your flight are unlimited. Will you as members of the Minnesota School Food Service Association promise to make reservations for this flight, board the plane, fasten your seat belts and fly first class.

Good luck to each officer, member of the crew and the membership for an exciting flight during the 20\_\_ - 20\_\_ school year.

**I now declare you to be the duly installed officers of the School Nutrition Association and Chapter \_\_\_\_\_ for the coming year.**

**Materials: Watch, compass, book (log), flight bag,**

## CHEF INSTALLATION CEREMONY

This year we have chosen "The Chef" as a symbol of your Executive office.

**PRESIDENT** \_\_\_\_\_, just as a chef subtly blends in many ingredients to create a perfect dish - so will you blend together the many talents of the members to serve with patience, and together, you and the members will have a wonderful year. This recipe book (**hand person the book**) symbolizes the "blending together" of all the ingredients to create a wonderful whole.

**As President**, you shall serve as the Executive Officer of the organization, shall serve as Chairman of the Executive Board, and as ex-officio member of all committees. Keep your enthusiasm high so that every member will be aware of and influences by the spice of your effort. As President-Elect, you shall assist the president in any way possible and be prepared to serve in the absence of the president.

**Do you accept the responsibilities of this office?**

**Secretary** \_\_\_\_\_, the **Poppy Seed (hand person this spice)** has been chosen as the symbol of your office. As Secretary, you shall be responsible for maintaining an accurate account of all meetings of the Chapter. You shall also process all other correspondence of the Chapter.

**Do you accept these responsibilities?**

**Members**, you have by democratic process, elected these officers as your representatives. While you have invested the responsibilities to them, never forget they are only your spokesmen and these offices exist to serve you. We are the Chapter that truly reflects services and dedication.

It is a privilege to be invited to install officers of Chapter"\_\_\_\_\_. First, I would like to express appreciation to the retiring officers and chairmen. For the past year, you have had the task of carrying forward the duties of your offices as leaders of a great team. You have performed your assignments with success. Continue to support and inspire the new leaders.

**President** \_\_\_\_\_, as a symbol of your office, I have chosen the **Blender**, just as a baker blends together the pastry ingredients and changes them into one, finely textured product, so you as the President will blend together the many abilities of your members to have a truly fine chapter.

As President you will be the chief executive officer. You will preside at meetings of the executive Board, exercise general administrative control over the association and perform all other duties usually associated with the office. Do you accept the challenge and responsibility of the office of President?

**President-Elect** \_\_\_\_\_, for the symbol of your office I have chosen a **skillet**. Cold, it is good for little more than storage. Warm, some products can be prepared. Hot, many products can be prepared quickly and well. Think of this skillet when you are planning chapter meetings. Put lots of ideas in, heat them and come up with outstanding programs that will help all our members better serve our students - the Nation's future!

As President-Elect, you shall perform the duties and functions of the president whenever possible and necessary: Preside during the absence of the President and assist the president when the need arises. Do you accept the challenge and responsibilities of the office of President Elect?

**President-Elect** \_\_\_\_\_, As President Elect, you shall perform the duties and functions of the President whenever necessary in the absence of the President, and also assist him/her whenever the need arises. The knowledge you gain will be reflected in the success of your chapter. Do you accept the challenge and responsibilities of the office of President Elect?

**Secretary** \_\_\_\_\_, for your office, a **green plant** has been chosen. I hope that this plant will remind all of you that green is symbolic of growth. May your minutes and correspond reflect the continued growth for Chapter \_\_\_\_\_. Remember that the plant will not thrive without love and nourishment. So it is both our food and our love. As Secretary, you shall conduct the correspondence at the request of the President, and shall accurately record the minutes in a permanent book belonging to the association. Do you accept the challenge and responsibility of the office of Secretary?

*(Optional Secretary verbiage – **whisk**)*

**Secretary** \_\_\_\_\_, You shall record minutes of all meetings of the chapter in a permanent book kept for that purpose and take care of the chapter correspondence. In carrying out the duties of secretary, you will often have to be quick as a **whisk** to get all of the details and information of a meeting written down. Do you accept the challenge and responsibility of the office of Secretary?

**Treasurer** \_\_\_\_\_, your kitchen symbol is a **slotted spoon**. Many times in this year you will have to dip into the organization treasury. As you do this, remember this symbol. Always let something remain in the treasury for future activities. As treasurer you shall receive and have custody of

all funds of the association and deposit the same in the name of the association and to its credit. You will keep full and accurate accounts of receipts and disbursements in books belonging to the association. Do you accept the challenge and responsibilities of the office of Treasurer?
