

Minnesota Department of Education
Safety, Health and Nutrition Division - Food Distribution Program
Minnesota Approved Distributors for Regular USDA Foods

The Food Distribution Program requires participating sponsors to select a Minnesota approved distributor for delivery of their Regular USDA Foods (please see list below) and enter into CLiCS 1 by **May 15** for school year 2012-2013 (SY2013). Please remember it is important to have a signed contract between the sponsor and their chosen approved distributor of Regular USDA Foods before entering the distributor selection into CLiCS 1. Please be advised:

- The distributor selection cannot be changed after the date of May 15, 2012 for SY2013.
- The action alone of selecting a distributor in CLiCS 1 does not constitute a contract with a distributor.
- The distributor contract is between the sponsor and their sponsor selected distributor.
