

Minnesota Rebate Program Guide

The Minnesota Rebate Program (MRP) distribution model, approved only for Minnesota by the United States Department of Agriculture (USDA), offers a state-administered rebate system where sponsors utilize desired entitlement amounts for the school year by committing to purchase quantities of approved commercial products, arranged in rebate groups, from approved USDA manufacturers (accepting USDA Foods). Sponsors are able to make their commitments by responding to Product Preference Surveys in the Cyber-Linked Interactive Child Nutrition System 1 (CLiCS 1) and then working directly with their commercial foodservice distribution partners to purchase the selected approved products commercially. Sponsors use CLiCS 1 to manage or release rebate claims, as well as monitor and track available rebate dollars throughout the school year. Eligible rebate claims are paid by the Minnesota Department of Education (MDE) Food Nutrition Service (FNS) when full value payment of a commodity is received per manufacturer.

- Please remember when selecting desired products from Product Preference Surveys in CLiCS 1, entitlement can be used towards any product listed within the selected rebate group.
- Please check for availability of approved MRP Products with your distribution system.

Quick Steps to Locate MRP Product Preference Surveys in CLiCS 1

- Step 1: Log in to CLiCS 1.
- Step 2: Select “Food Distribution+” on the left side menu.
- Step 3: Select “Survey Mgmt” on the left side.
- Step 4: Select the “Product Survey” tab (for Rebate surveys)
- Step 5: Enter the “Year” in Search Criteria. (Note: The year is when the school year ends, for example, School Year 2012- 2013 would be Year 2013).
- Step 6: Select “Search.”
- Step 7: Select the desired survey number’s hyperlink.
- Step 8: Select “save” when complete. Sponsors may go back into the survey and make changes up until the survey closes on April 15. Please remember to select “save” each time.
