

**Feeding Bodies. Fueling Minds.™**

## **MISSION STATEMENT**

The purpose of the Minnesota School Nutrition Association is to provide our members opportunities with professional development and to build relationships that make a difference in the lives of children.

**MSNA** is the state affiliate of the School Nutrition Association.

There are over 3,000 Minnesota members including school nutrition employees, managers, directors and industry representatives.

Various conferences provide training:

- Annual State Conference
- Nutrition Conference
- Legislative Conference
- Industry Conference
- Skills Camp

Other opportunities for training and CEUs include local chapter meetings, webinars, and school district trainings.

## Reasons to join

- Conferences and workshop opportunities
- Sharing and networking
- Certificate and credentialing program
- Education and training resources
- Connections to the School Nutrition Association
- Scholarship programs
- Professional publications
